MEMBERSHIP FEES

Membership subscription is due upon application of membership to the club and annually thereafter on the anniversary of joining the club. A member will have resigned from the club if they have not renewed their

subscription by anniversary of their having joined the club. However, such members may re-join at a later date.

Club membership subscription shall include and is limited to the following services:

- Use of the Buzz Active facilities during club sessions.
- Insurance of club by affiliation to the British Canoeing.
- Tuition and Paddler Development by qualified British Canoeing coaches.
- Participation in club events and official club trips.

Due to limited volunteer instructors and equipment, the club cannot guarantee all members will be able to participate in every session. However, wherever possible the club and its representatives will endeavour to ensure all members can paddle.

Club membership does not ensure free parking in the centre car park. Use of the car park is limited to club sessions only and for those carrying kayaks/canoes on their car. It is provided on a first-come-first-served basis with members required to use the main Pay and Display car park, when full. Parking is at owner's risk and the club will not be held liable for damage or theft from vehicles parked in the centre car park.

- The use of club equipment is provided on a first-come-first-served basis. This is with the exception of members participating in formal award courses, who will be given priority in the use of equipment on such occasions.
- The use of club equipment shall generally be limited to organised club sessions or events and in the presence of a qualified club coach.
- The club reserves the right for any committee member or coach to refuse the use of certain equipment. Such action would normally be taken on the grounds of member safety or paddling conditions.
- No club member shall be liable to pay for accidental damage to club equipment whilst participating in club organised activities. This excludes damaged deemed, by resolution of the Committee, to have been caused by known or careless misuse.
- Club boats and equipment may be borrowed by members. In such circumstance the member will be financially liable for any damage or loss of the equipment in their care. An Equipment Loan Form should be completed and submitted to the Equipment Officer prior to removing the equipment for use.
